Re: William Reyes v. Dollar Thrifty Automotive Group,
Inc., DTG Operations, Inc. and Tiffany L. Benjamin
Docket Number: 07 CV 5790

Dear Justice Sullivan:

This correspondence is being sent to the Court on consent of counsel for both sides with a request that the date for the completion of discovery of the above matter which is presently scheduled for April 8, 2008 be extended for sixty days until June 9, 2008 so that all parties will have an opportunity to complete discovery. Counsel for both the plaintiff and the defendants have experienced difficulty obtaining the plaintiff's medical records which has resulted in a delay in the discovery process.

I spoke with Tina Wells at Trolman, Glaser & Lichtman on behalf of the plaintiff on March 20, 2008 and she has agreed to the proposed extended date.

Should the court require any additional information in order to consider this request I would request that you notify me immediately at the above number.
